

Safety Net Pro

This strategy is where we divided the loss over the remaining days in the month, and add it to the previous days bet as our new stake. Much less aggressive than 1,2,3,4 Powerplay

February 2014

By participating with this system, you agree that every effort has been made to accurately represent this product and its potential. Just like any other betting or cash system, there is no guarantee that you will earn any money using the techniques and ideas in these materials. Examples in these materials are not to be interpreted as a promise or guarantee of earnings. Income results shown in this statement are purely based on estimations following our system with a starting bet of \$100. We do not know future results nor can we guarantee that you will win. As with any betting activity, you run the risk of not making any money at all and also risk losing money. You must obey the laws in your state, territory, or country as it pertains to betting on sports online. Laws are different everywhere so please be sure you verify it is legal for you to bet sports online in your area. Where winnings are received, you are liable for paying your own taxes that may be due.
